

# WEEK THREE'S MISSION IS TO: DISCOVER WORSHIP

## Parent Briefing:

In this mission, we will look at several Bible verses that you and your “agents in training” can investigate. After this in-depth investigation, there are several activities that are suited for your agents. This is a time for you to be intentional in teaching biblical truth in order to strengthen your family and your relationship with the Creator!

## Mission Objective:

We encourage you and your family to discover ways to worship God by either singing along to your favorite Christian song, teaching your children a hymn, painting a picture of God's beauty, writing a story/poem about God, or creating praise song playlists and listening to them wherever you are. As you praise God, remember all the things that He has done for you. Thank him for all your blessings. Remember that worshiping God doesn't mean you have to sing. You can be thinking about him throughout the day as an act of worship. See how this influences your daily activities and how it furthers your relationship with God.

*Below are some guided questions to help further your discussion on your mission field, use the investigation material above to answer.*

How does God know we love Him?

See Psalms 100:1, What does it mean to make a joyful noise?

How can you incorporate praise in your daily activities?

See Romans 12:1, What does it mean to present your bodies as a living sacrifice?

How can you use your talents to praise God?

## Agent Debriefing

After discovering worship, we encourage you and your “agents in training” to take a picture of the assignment you completed. Post the picture using #CreekCIA. This will allow for the agency to evaluate the picture and give your agents a chance to win a special outing. Be looking for your picture to appear on the Agency’s screen during Sunday morning service.

**Investigation Materials:**

1 Chronicles 16:23-31, Psalm 100, Romans 12:1-2,  
Colossians 3:16

**Assignments:**

**Preschool:** In addition to practicing worship through song this week, focus on other ways to worship. Remind your agent that worship is giving God our love and attention. Brainstorm different ways to worship, and have your agent come up with their favorite to implement. Examples may be painting a picture of God's beauty, praying, or reading bible stories.

**Elementary:** In addition to practicing worship through song this week, focus on giving thanks to God for who He is. Have agents write thank you notes to God this week. Include prayers, lists of why God is great, and/or pictures. Bring them to Sunday school on or before June 29th so that they can be added to the praise boards.

**Youth:** While worshiping, ask yourself: Why am I here? Why am I doing what I'm doing? What does my worship say about how I feel about God?

See Acts 17:23, How can we avoid worshipping in ignorance?

Throughout the week, worship God with your thoughts. Play the following playlist, or your own, to keep your thoughts Christ-centered. Post your favorite worship song, or lyrics to it, on Instagram, Twitter, or Facebook. Don't forget to use #creekCIA.
