Awesome job! That was a fun gift to make for your mom. As it says in Proverbs 31:28-29, mothers are a blessing and love serving God by doing things for their family. Pray for your mom, especially today, that she will continue to love God with all her heart, mind, soul & strength. When her cup is 'full' from the Lord, then she's able to give God's love to others. Tell her today all the things you love about her!

**"Her children arise and call her blessed; her husband also, and he praises her. Many women do noble things, but you surpass them all."
