Cottonwood Creek Ministry Academy **Seminary Syllabus**

Description

The Ministry Academy at Cottonwood Creek Church's one-year training program is designed to "equip the saints for the work of ministry, for building up the body of Christ" (Ephesians 4:12). Each student will have the opportunity to learn who God is through His Word so that the body of Christ may be strengthened.

Goal

Our desire at the Ministry Academy is to bridge the gap between Christian Higher Education Institutions and the local church by providing theological training in the context of the body of Christ. By teaching theology through each book of the Bible, we hope that each student will apply these truths in ministry all around the church. Through large group teaching, small group discussion, reading, writing, and Saturday seminars each student will:

- Read through and know the whole story of Scripture.
- Gain an understanding of both the purpose and practice of Christian theology.
- Be a closer follower of Jesus Christ.
- Be transformed by God's call on their lives to know Him and be obedient to Him.
- Learn how to communicate the Bible and theology.
- Learn God's heart for and respond to the Great Commission.
- Be commissioned to serve the church well.

Cost

\$150/semester (\$300 for the year)

The cost covers all of the books for the ministry/discipleship base course, a Study Bible, honorariums for guest speakers, and each Saturday seminar. Contact us if you need financial assistance.

Requirements

ATTENDANCE (In-Person & Online)

Due to the nature of the program, attendance is required. A student enrolled in seminary course work is permitted one absence in each semester (this cannot be used for a seminar). Each lecture will be recorded for the purpose of making up or revisiting any of the content discussed.

SEMINARS

Once each semester there will be a Saturday seminar (8a-5p). The seminars will include a special guest lecturer (academically qualified) in a specific and specialized field pertinent to the semesters focus. Attendance is mandatory for each seminar. Lunch and snacks will be provided for all students.

COURSES

Each student must indicate which courses in which they desire to enroll prior to the start of the Fall semester. All seminary students MUST do the base work of the Ministry/Discipleship Course. Beyond that, the pricing for every semester is the same and will not change based on the number of courses enrolled. You cannot add a course after the third week of class in the Fall. Dropping courses are allowed, but will receive no credit and need to be addressed on an individual basis.

DISCUSSION & PARTICIPATION

Each student is required to actively engage in the subject matter through discussions, group assignments and exercises. Each student will also have opportunities during class time to process the week's content through theological discussion with their peers.

DISCIPLESHIP

There is an expectation for each student to be in the process of walking with another believer in a discipleship role. This means that what a student is learning is not to simply gain knowledge, but it is for the purpose of living out, sharing and teaching these biblical truths.

SERVICE

Each student must put their knowledge to action by serving in the local church. There are a lot of ways to do this! Feel free to ask if you need ideas for how to serve. An honor statement will be given at the end of each semester affirming 18 hours of service throughout each semester.

SCRIPTURE MEMORY

Each student will memorize a few verses/passages in the Bible each semester. These verses will be given prior to the beginning of each semester and will then be checked at the end of each semester.

DUE DATES/LATE ASSIGNMENTS

Each student must consult the syllabus schedule for the due date of each assignment. These assignments will be submitted through Google Classroom. It is important that these assignments are turned in on time. Late assignments will be marked down a letter grade for every day they are late.

GRADING

Each assignment will be graded and evaluated for the purpose of training and coaching each student. Overall grades will be provided for each course which the student is enrolled:

- A – 94-100
- B – 86-93
- C – 78-85
- D – 70-77
- F – 0-69

TRANSCRIPT/TRANSFER CREDIT

The Cottonwood Creek Ministry Academy is not an accredited School of Ministry. However, at the end of the year, the student will receive a transcript that can be taken to partnering institutions for potential transfer credit. Each of these will be evaluated on an individual basis by the registrar of the transfer school.

Student Expectations for Seminary Path

Attendance:

- Classes begin on August 18, 2021 and will take place every Wednesday evening from 6:30-8:30 pm from August 2021 through May 2022.
- Students are expected to attend all class sessions unless hindered by illness or emergency. In order to complete the program and receive certification, students may only miss one class session per semester.
- Students who do not meet all of the attendance requirements **WILL NOT** be eligible for transfer credit into a partner school.
- All class sessions will be recorded so that absent students have the opportunity to make up or review content.

Registration:

- Students in the seminary path will indicate at the start of the MA which courses they wish to complete. They can pursue the remaining MA course offerings at the disciple level if desired.

Workload:

- In addition to attending Wednesday class sessions, students will be expected to complete reading assignments and writing projects as part of their course work. The workload of each course is equivalent to a 3 hour of a Master's level class.
- On average, students will be expected to complete about 900 pages of assigned reading and about 14 pages of writing assignments per course in which they are enrolled.
- Students who do not meet all of the workload requirements **WILL NOT** be eligible for transfer credit into a partner school.

Service Requirements:

- Service is a crucial part of the Ministry Academy's course of study. Students will be expected to complete 18 service hours a semester, for a total of 36 hours during the time in the program. This is in addition to class time on Wednesday evenings.
- Students who do not meet all of the service requirements **WILL NOT** be eligible for transfer credit into a partner school.

Transfer Credit:

Upon successful completion of the Seminary Path of the Cottonwood Creek Ministry Academy (MA), students will be given a certificate of completion which they can use in order to gain transfer credit into one of our partner institutions. Students should be aware of the following details:

- In order to gain transfer credit, students must first apply and be accepted to the school from whom they wish to receive credit. Application to each partner school will follow that school's typical admittance procedures – the MA will have no involvement in the student's application or acceptance into partner institutions for the purpose of transfer credit.
- In most academic institutions, transfer credit is not re-transferable. If your intention is to transfer credit from MA to school A, with the eventual goal of moving from school A to school B, your MA credits may not transfer. Students will need to discuss any potential credit transfer issues with MA administration and with the Registrar of the school of their choice.
- Transfer credit opportunities from MA to seminaries or other schools only exist within the scope of MA's partnership with each of these institutions. Students should not request transfer credit from a non-partner institution. If you would like to recommend an additional academic partner for MA, please contact MA leadership.
- Ministry Academy has partnerships with several accredited institutions for specific questions, please email: beau.landers@cottonwoodcreek.org
