# Opposition to Rebuilding

The Jews had enemies in the land. Sanballat and Tobiah and their peoples watched the walls of Jerusalem being built and were not happy about it.

Find 6 sets of eyes spying on Nehemiah and the Jewish workers as they rebuilt Jerusalem's walls.

The enemies began to plot a way to stop the work of the Jews.

Fit the list of words from Nehemiah 4 into the crossword. The letters B-A-B-Y-L-O-N (the place where the Jews had been in exile) are already placed as a help. Then use the words to complete the sentences.
