

## **Bible Focus: Moses is Born**

**Verse:** Give thanks to the Lord and pray to Him. Psalm 105:1

**Bible Point:** God cares for us.

Today we learned that Moses's mommy loved him so much that she did the most loving and greatest thing she could for him. She made a basket and set him sailing away to save his life. She trusted God to do something great and He did just that. The Pharaoh's daughter found Moses and raised him as her own. Only God could make something like this happen! God took care of Moses!

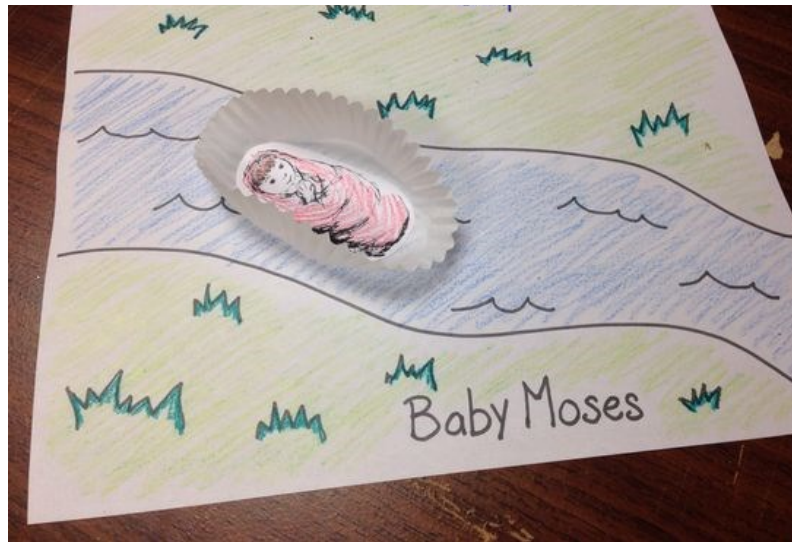

### **SUPPLIES NEEDED:**

Paper

Crayons/Markers

Cupcake Liner

Glue

### **INSTRUCTIONS:**

Give your child a piece of white paper and help them draw a river through the middle of it. Let them color the water blue and the grass green! On a separate paper help them draw a baby and cut it out. Let them glue their baby in the cupcake liner to look like Moses in a basket! Have them glue their basket in their river on their picture!

Print out the attached Moses in a basket picture. Let your child color the picture then help them cut it out. Glue the basket picture onto the top of a popsicle stick. Stick the bottom of the popsicle stick through the slit of the blue paper and move the baby Moses down the river!

God was watching over baby Moses.
