

## **Bible Focus: The Ten Plagues...Part One**

**Verse:** Give thanks to the Lord and pray to Him. Psalm 105:1

**Bible Point:** God cares for us.

Today we learned about an evil man named Pharaoh who loved his false idols and city so much he had millions of slaves build his idols temples and buildings. God wanted his people to be free so he sent Moses and Aaron to set them free. God sent them to Egypt to tell Pharaoh to "Let his people go." Pharaoh would not let them go so God sent plagues until Pharaoh would set them free.

### **Supplies Needed:**

**Pharaoh headband printout**

**Crayons/markers**

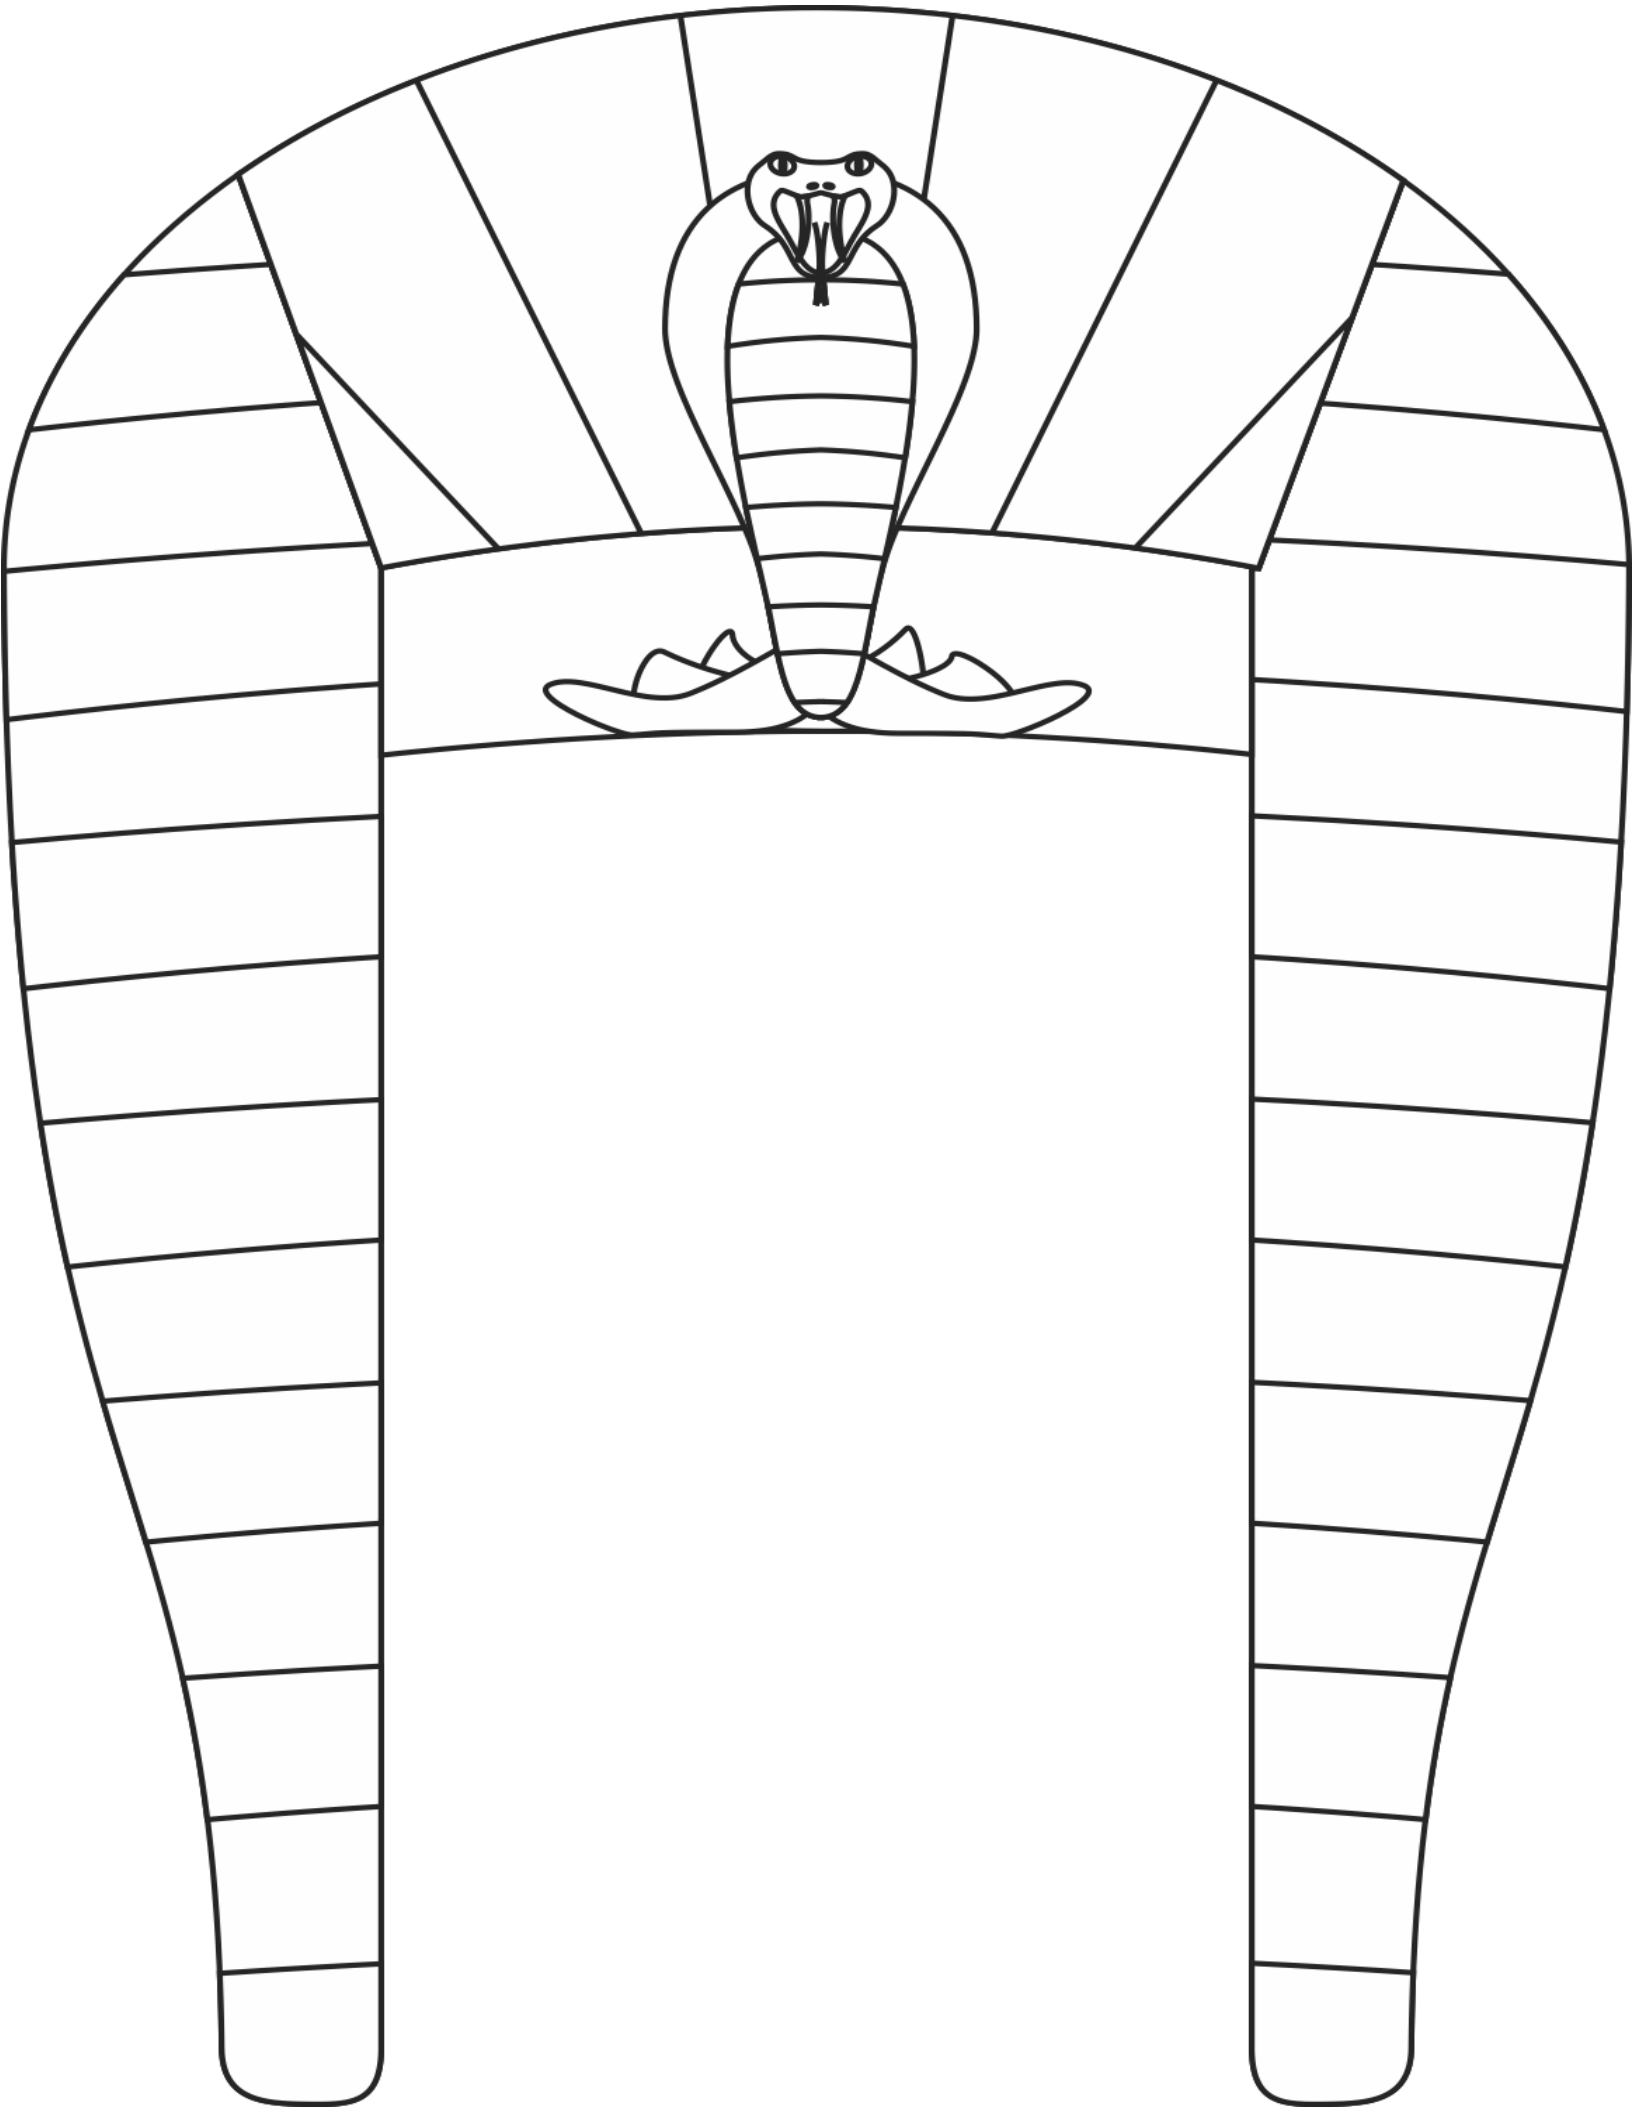

**White paper**

**Tape/stapler**

### **Instructions:**

Today we are going to make a craft to remind us of Pharaoh and how he would not let God's people go. Print out the attached Pharaoh headpiece printout and help your child cut it out. Have them color their headband pieces however they choose. When they are done help them cut 2 pieces of paper about 2 inches wide and about 6-8 inches long. Have them glue one piece onto each side of the headband piece. Next measure around your child's head and tape/staple the 2 strips together to wear as a head piece!

Using a paper sack., let them glue their frog pieces onto the sack upside down with the bottom flap facing up. Using red paper help your child cut out a long tongue and glue it to the inside of the flap. When the glue is dry you can use your paper sack frog as a puppet!
