Plagues Part 2

Bring this back next Sunday for a special treat!

BIBLE STORY

Exodus 7-12

One day God spoke to Moses. God said, "Go and tell the king of Egypt to let my people go from his country."

Moses and his brother Aaron went to the place of the king of Egypt. The king did not want to let the people go. So God sent the plagues. A plague is something bad that happens to a lot of people. "Take your people and go!" the king finally shouted.

What a big, noisy parade it was as God's people marched out of the land of Egypt. God showed the people where to go. God was with Moses and the people. God is with us too!

HAIL IN EGYPT

As you color the picture, talk about how God helped the Israelites leave Egypt.

FAMILY FUN

We have all heard how important praise and encouragement are to children. AS children grow, they need to hear frequent positive messages from others to gain a balanced and healthy self-worth and to know what is right and good about the choices they make.

Sometimes being a good encourager takes practice. Try using positive phrases with your children. How refreshed we feel when someone comes alongside of us and says positive words that motivate and encourage us in our choices. Let's commit ourselves to doing the same for our children.

GOD CARES.

Children (of all ages!) love creative activities where they can express themselves. Prepare an area on a table with a protective covering. Provide paper, paints, glitter, and so on. Ask each family member to create a picture that shows a way God cares for your family. After the pictures dry, hang them as reminders that God always cares for us.
