

## Bible Focus: Joshua & Caleb

Verse: We will serve the Lord our God. We will obey Him. *Joshua 24:24*

**Bible Point:** God is powerful. He will help us.

Today we learned about God's people going to the promise land. Do you remember how many spies God told Moses to send? What did the spies bring back to camp? Joshua and Caleb were 2 of the 12 spies Moses sent. a spy is someone who is sneaky and looks at what other people are doing. Have you ever used anything to see far away? Binoculars can help us see far away! Lets make some binoculars!

### Instructions:

Give your child 2 toilet paper roles (if you do not have any you can make tubes out of construction paper!) and have them decorate them however they want using the stickers, crayons, and markers.

When they are done help them glue/ tape the 2 tubes together and attach a string so they can wear it around their neck

Then act out with them how the twelve spies would have been sneaky and tell your child to try to find the Promised Land. Walk around the room and pretend to look for the Promised Land.

### Supplies Needed:

Paper rolls

Stickers

Crayons/markers

String

Tape/glue
