Our trip to Belize will include several small work projects for Belmopan Baptist High School and small village churches and possibly leading Bible Studies for Adults and Children.

Our plan is to be flexible to meet as many needs as possible while we are there.

**Some of the possible projects are:**

- Build picnic tables and a pavilion to cover picnic tables
- Building and repair projects at Belmopan Baptist High School
- Collecting and distributing baby clothing for Hope For Life Crisis Pregnancy Center who is ministering to more than 200 very poor women (clothing sizes: newborn – 18 months)
- Lead the Bible Time during the Service at the church. The Sunday morning service is really like a Bible Study. If there are musical team members, we can lead the Worship Music as well.
