FAQ's

- **Can kids still have a sleepover?**
 - YES! However, you will need to coordinate that with your child and their friends.
- **Is this because of COVID?**
 - COVID is definitely one of the reasons. However, if we remove COVID from the considerations, we still believe this is the best thing for the future of DNOW. In today's environment, parents are uncomfortable with their child having a sleepover in a stranger's home, the liability of driving students in personal cars, health reasons, or any other commitments that require students to come and go from DNOW.
- **What other COVID precautions are you taking?**
 - Health reasons are one of the many reasons for this change. As always we will follow local and state guidelines. At this time there will not be any other mandatory precautions.
