Bible Passage: 2 Samuel 7:8-13

Main Point: God is faithful with all His promises

Matching God's Promises Activity

Materials: Scissors, References/Verses sheet below

Cut out the verses and references below. Form two teams, each team will match the references with the correct verses. Team 1 will only look for the book of Psalms verses. Team 2 will look for the book of Isaiah's verses. There are four matches for each book. The team to match all four of the references with the correct verses first, wins the game. Have them use their Bibles to look up the reference to find each of God's promises. Then have each team work together to match the verse with the correct reference. Ask for volunteers to read their promises to the other team.

Say: God made promises to remain close to those He loved, and He fulfilled those promises. We can see how God made promises and remained faithful to them. We can rely on God to keep His word, and that He will be with us always.
