

Jesus Heals a Man Who Could Not Walk

Bring this back next Sunday for a special treat!

BIBLE STORY

One day so many people came to hear Jesus teach that they would not all fit in the house

“What should we do?” asked some men carrying a man who could not walk. “We must see Jesus.”

The men had an idea. They climbed the steps to the flat roof and chipped a hole in the tiles. Then they lowered their friend on his mat into the room.

Jesus told the man, “Stand up. Take your mat and go home.”

And that’s just what the man did!
Jesus can always help us!

FAMILY FUN

Wearing the parental hat is not always easy. We are God's representatives to teach His ways to our children. Though the task is great, God promises to give us the strength, wisdom and assistance we need. We want our children to grow to become good decision makers as they observe faithful parents modeling wise direction and decision making on their behalf. Teach your children that God loves them so much that He gave you to guide them. Remember to call on the Lord. He is waiting to give you exactly the help you need!

LEND A HELPING HAND.

Together discuss a task that everyone can do to lend a helping hand. For example: assist an elderly person with a household project, lend a hand to a neighbor with yard work, or venture to a local park to pick up trash. Discuss how your actions will show Jesus' love. Share with your family how Jesus will help you work together to help others.
