## BIBLE STORY

From John 4:46-53

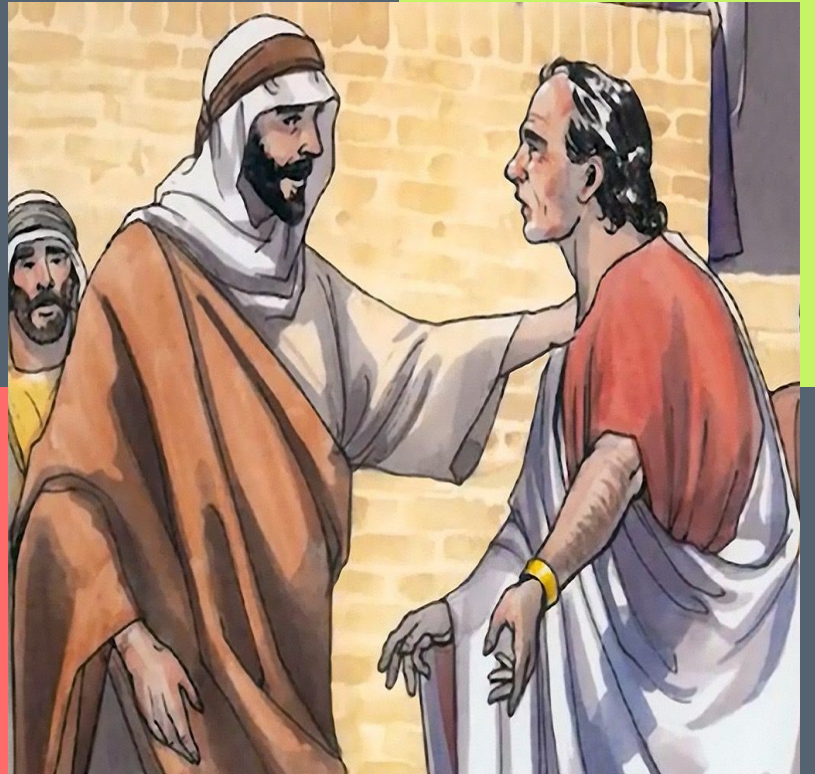

An important officer for the king heard about Jesus. This man's son was very sick. "I'm going to see Jesus," said the man.

"Sir," the man said when he saw Jesus, "come before my child dies."

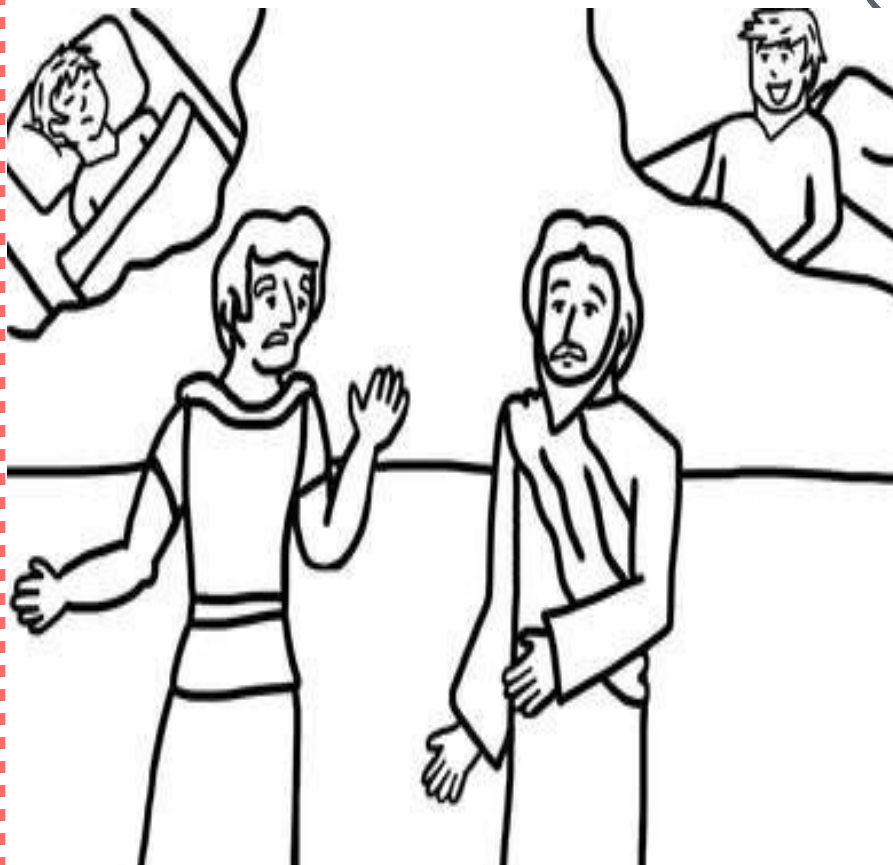

"Go," said Jesus. "Your son will live."

The king's officer started for home. He believed what Jesus had told him. On the way the man met some workers. "Your son is well," they said.

"Jesus said he would live," said the happy father. He knew Jesus can do great things!

## FAMILY FUN

One of God's greatest gifts is children. E.T. Sullivan writes, "When God wants great work done in the world or a great wrong righted, He goes about it in a very unusual way. He does not stir up His earthquakes or send forth His thunderbolts. Instead, He has a helpless baby born, perhaps in a simple home and of some obscure parents. And then God puts the idea into the parents' hearts, and they put the idea into the baby's mind. And then God waits. The greatest forces in the world are not the earthquakes and the thunderbolts. The greatest forces in the world are babies!"

God wants to do great things through parents like you! Thank Him today for the gift of your child.

### BANDAGE RELAY.

Individually take turns or split up into teams. Find rolled bandages to wrap around a team member's leg or arm. Have a timed relay. After completing the activity, talk about ways a bandage helps someone when he is hurting. Plan ways your family can help others and share Jesus' love.
