Verse: Our Lord is great and very powerful. Psalm 147:5

Bible Point: Jesus is powerful.

Today we learned about how when Jesus was finished teaching, His disciples got into a boat and went across the lake. While they were rowing their boat Jesus went to be alone with His father God and pray. Jesus spent several hours praying but during this time a strong wind was blowing and tossing the boat around. Just before the sun came up the disciples saw something coming towards them...It was Jesus...walking on the water! Jesus told them "Do not be afraid, I am Jesus." When Jesus go to the boat the wind calmed down!

Supplies Needed:

Graham Crackers

Blue frosting

Teddy Grahams

Instructions:

Lay a full graham cracker down on a paper plate. Help your child spread blue frosting on the top of it to look like water. Break a piece of another graham cracker and stick it in the frosting to make a boat. You can attach a couple teddy grahams onto the boat to represent the disciples in the boat. Place another teddy graham in the water to represent Jesus walking on water towards the boat!
