

## Instructions:

Print out the Paint Blowing Craft printable below.

*\*For this craft, I recommend doing it outside. To begin, take out red, yellow, and orange paint. You could use one or two colors of paint if you do not have all the colors. Next, squeeze paint onto your paper. Tell your toddler, "The Holy Spirit came like a MIGHTY WIND!" Have your child get close to the paint and blow.*

“Suddenly a noise came from heaven. It sounded like a strong wind blowing...They were all filled with the Holy Spirit!”

Acts 2:2-4
