

Craft- Creation "God Made the Animals"

Talk to your child about the lesson and what God created on day 6. Talk about all the different animals He created for different purposes. Share what makes them unique (tail, height, color, and other features). End in prayer thanking God for His beautiful creations!

Below are a few different ideas for animals. These are great crafts for toddlers and only need a few items-

- Paper plate
- Paper
- Glue
- Cheerios
- Tissue paper
- Markers
