

Craft- Creation Day 5, God Made Fish & Birds

For this craft, begin by recapping what the Bible story was about. As your child creates and decorates their craft with your assistance, point out different things about fish & birds and what makes each one unique. End in prayer thanking God for His beautiful creation!

Option #1- Paper Plate Birds and Fish!

Materials Needed:

- Feathers
- Markers or crayons
- Glue
- Two paper plates
- Scissors

Make a fish and a bird using a paper plate! Cut out a bird shape then a fish shape like the examples above. Have your child decorate them with markers, crayons, feathers, and stickers. End in prayer.

Option #2- Handprint Birds and Fish!

Materials needed:

- Fingerpaint in different colors
- Googly eyes
- Paint brush
- Paper plate or bowl

Paint your child's hand in their choice of color then help them press it on a piece of paper. Their fingers are the back fin of a fish or the back feathers of a bird. Let them decorate their fish and birds using multiple paint colors, feathers for wings, and/ or cheerios for bubbles. Add googly eyes once dry!
