### ACTIVITY:

Talk to your child about the Bible. Talk about how it is God's Word. We read it so we can learn about God and what God wants us to do. God wants us to share with others.

Day 1: Gather a bunch of light and dark objects and toys. Let your children help you separate the light from the dark. If you have flashlights or glow sticks, you could use these to demonstrate light from darkness.

Day 2: Gather together several small toys of various densities. Have your child place the toys in a tub of water. Talk to your child about how God created water for us to drink, bathe, swim, etc.

### PRAYER:

It is so important that you pray with your baby/toddler. Pray for your child's salvation. Demonstrate how to pray, folding your hands, bowing your head. Teaching prayer begins during infancy. You may pray yourself or use the following prayer.

Prayer: "Dear God, thank you for this day. Thank you for creating light for day and darkness for night. Thank you for creating the water and sky. You are so amazing. In Jesus' name I pray, Amen."

## **WORSHIP:**

While singing with your baby/toddler, rock them back and forth and interact with them. Let them learn that singing songs about the Lord is a wonderful sweet way to learn about God and bond with you.

### **BIBLE STORY:**

Hold up the Bible, "**This is the Bible. We love our Bible. It is the Word of God. The Bible is truth.**" Hug the Bible to your chest. "**Let's pat our Bible.**" Take the baby/toddler's hand and have them pat the Bible. Read the story with enthusiasm to capture their attention.

### **Babies and Toddlers:**

**Hold up the teaching picture attached to this lesson or read the story from a Children's Bible. Story comes from Genesis 1.**

"In the beginning, there was no sun, there were no people, fish, or animals! The world was empty, but God had a plan! On day number one (hold up one finger), God spoke, 'Let there be light!' and there was light. There was day and night on the first day of Creation. God looked at the light, and said, 'It is good!'

## CONTINUED BIBLE STORY:

On day two (hold up two fingers), God said, 'Let there be sky up above the earth. (Reach up high.) And let there be water down below.' (Make wave-like motions with your hands.)

Thank You God for creating the sky! God also put big oceans, and seas of water on the earth. God gave us water to drink when we are thirsty. He gave us water so that we can take a bath, and wash ourselves clean. We can also go swimming and play with water! Let's thank God for all the things He created on day 1 and 2!"

## TIME TO TALK:

As you change diapers, wash hands, rock, play with, and console your baby/toddler take time to talk about the Bible story.

## AFFIRMING STATEMENTS:

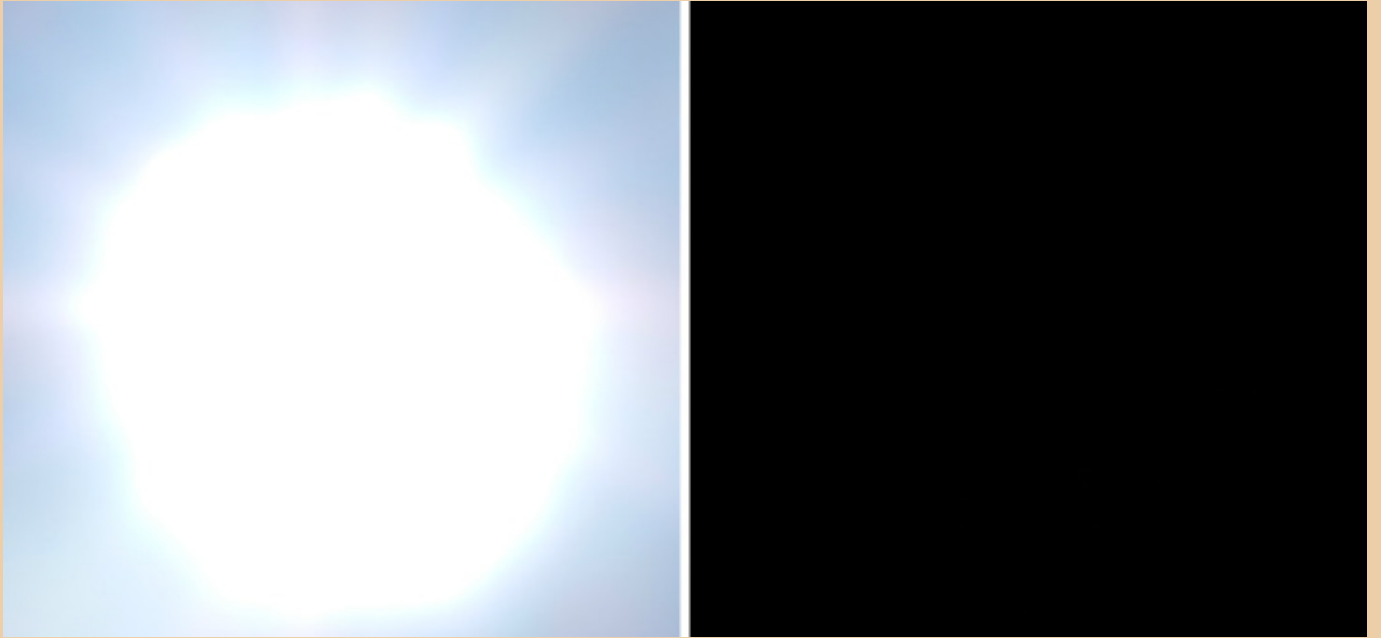

GOD MADE THE HEAVENS AND THE EARTH

GOD MADE THE WATER AND SKY

GOD LOVES YOU SO MUCH
