ACTIVITY:

Talk to your child about the Bible. Talk about how it is God's Word. We read it so we can learn about God and what God wants us to do. God wants us to share with others.

Day 3: Bring a small shoebox and go on a nature walk with your child. Gather rocks, leaves, flowers, of different sizes and colors. Point out the wonderful things God created. Let your child touch, feel, and smell the items.

Day 4: Add glitter to your playdough. Provide star and circle shaped cookie cutters. Help your child count all the stars you created together. Say, "God created more stars in the sky than we can count!" You can also sing "Twinkle, Twinkle Little Star" with hand motions.

PRAYER:

It is so important that you pray with your baby/toddler. Pray for your child's salvation. Demonstrate how to pray, folding your hands, bowing your head. Teaching prayer begins during infancy. You may pray yourself or use the following prayer.

Prayer: "Dear God, thank you for this day. Thank you for the Bible so we can learn about all the wonderful things you made. You are so amazing. In Jesus' name I pray, Amen."

WORSHIP:

Sing "Your Creation".

While singing with your baby/toddler, rock them back and forth and interact with them. Let them learn that singing songs about the Lord is a wonderful sweet way to learn about God and bond with you.

BIBLE STORY:

Hold up the Bible, "**This is the Bible. We love our Bible. It is the Word of God. The Bible is truth.**" Hug the Bible to your chest. "**Let's pat our Bible.**" Take the baby/toddler's hand and have them pat the Bible. Read the story with enthusiasm to capture their attention.

Babies and Toddlers:

Hold up the teaching picture attached to this lesson or read the story from a Children's Bible. Story comes from Genesis 1.

"On Day 3, God created land (with palms facing the floor, run hands flat in front of you) and plants (place one fist inside the other and pop the one fist through the other). On Day 4, God created the sun (hold arm up in the air with fingers spread wide), moon (with opposite arm make a "c" formation with your hand in the air), and stars (with index fingers putting up alternate right and left hand moving up in the air) Let's thank God for all the things He created on day 3 and 4!"

TIME TO TALK:

As you change diapers, wash hands, rock, play with, and console your baby/toddler take time to talk about the Bible story.
