Fish cutout

Bird cutout

Crayons/markers

Glue

*Say the words in **BOLD**

Today we learned about how on the 5th day God created the fish and birds! God said, "let the water be filled with living things, let the birds fly above the earth across the huge space of sky." Today we are going to make a yummy snack to remind us that God made the fish in the ocean!

Give each child a sheet of paper and have them color it however they would like. Then, have each child pick out a bird and some fish die-cuts, then have them glue them onto the coloring page! Be sure to tell them that the birds go on top (in the sky) and the fish on the bottom (in the ocean)!
