

## Noah Builds a Boat

### MY FIRST TAKE HOME SHEET

#### BIBLE STORY

The Bible tells us that God made the world and put people on the earth. After a time, many people did wrong things. But one man, Noah, did what was right.

God told Noah that He was going to destroy the earth and the people. God gave Noah directions for building an ark-boat. Noah was to take two of every kind of animal and bird into the ark.

After Noah and his family and the animals were safe on the boat, God closed the door. God took care of Noah.

#### FAMILY FUN

**CAN IT FLOAT?**  
Find two clear glasses you can see through. Then gather objects from around the house that can be placed in water. Fill the glasses with water. Allow your child to guess which items might float and which would sink. Talk about how Noah obeyed God and how the ark with all the animals inside floated on water.

Have you had to stay indoors on a rainy day? Think about Noah with hundreds of anxious animals and not a lot of room to play. On days when you have eager little hands waiting for something exciting to do, pull out a box of rain day fun. Here are some ideas to get you started. Put together an indoor sandbox. In a box, put rice or dried beans with spoons and cups. Finger paint with yogurt or pudding and then eat your artwork! String cereal to make a necklace. Create an indoor picnic.

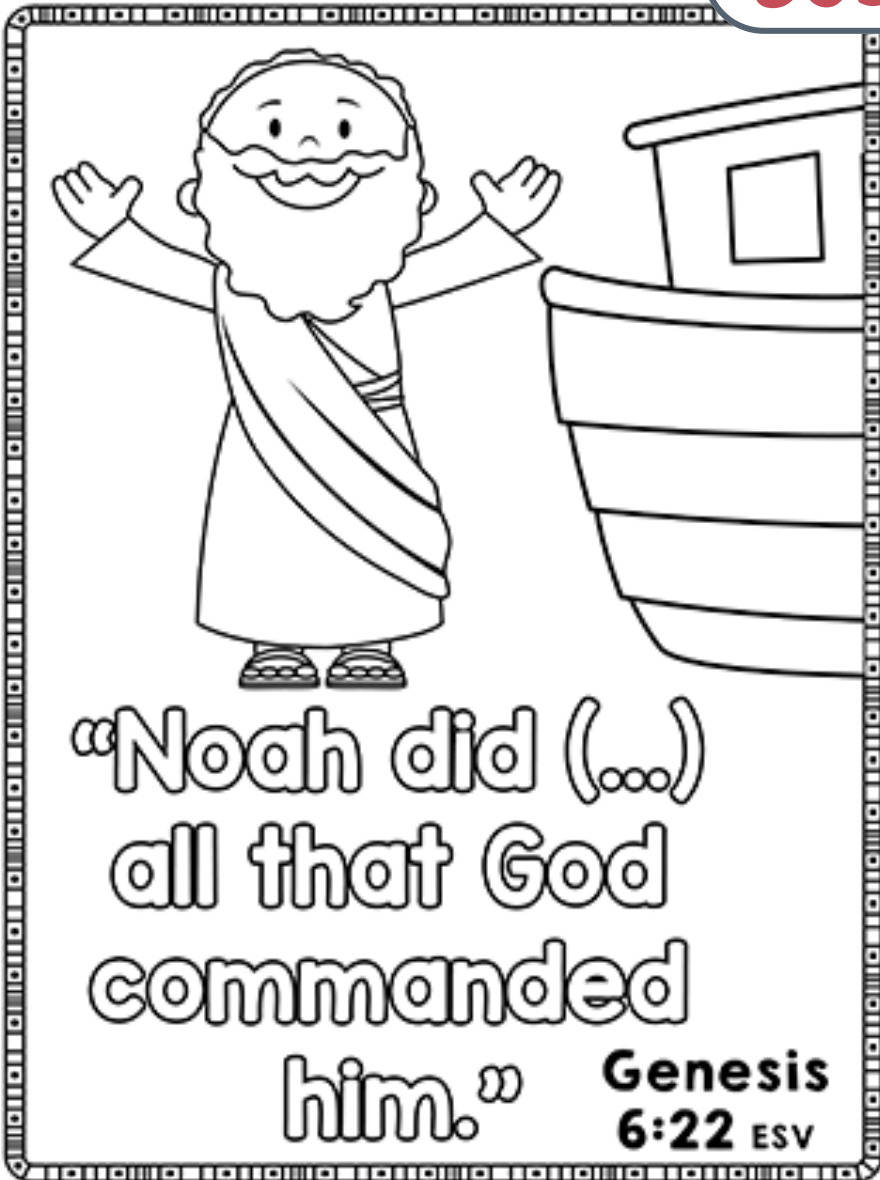

On rainy days, you may have to make sunshine with your children. It's not hard to do when you remember together that God cares for us— in both the sunshine and the rain.

**Bring this back next Sunday for a special treat!**

## Noah Builds a Boat

MY FIRST TAKE HOME SHEET

### GOD TOLD NOAH

As you color the picture, talk about how God wants us to obey Him.

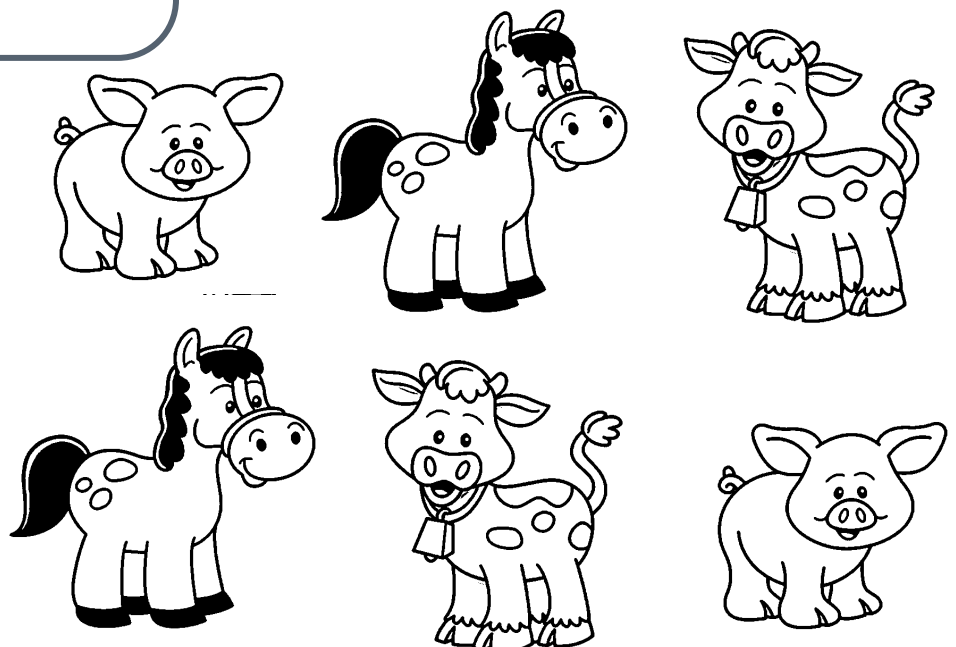

What did God tell Noah to do?

Who took care of Noah?

### 2 BY 2

Match the animals and then color them.

-  Color the pigs red.
-  Color the horses yellow.
-  Color the cows green.

Bring this back next Sunday for a special treat!
