

Abram and Lot

BIBLE STORY

From Genesis 13

Abram and his nephew Lot had become very rich. The land was getting crowded. The helpers who took care of their animals began to argue.

Abram knew that God would not want the helpers to argue. Abram said to Lot, "We should not argue. Let's divide up. There is plenty of land here." Abram let Lot choose the place he wanted to live.

God was pleased that Abram chose not to argue with Lot. God told Abram to look around. God was giving Abram all the land that Abram could see!

God took good care of Abram and his family.

FAMILY FUN

CHOICES.

Place two edible items under individual cups to hide them. One item should be something your child will view as a treat (a fruit snack or cookie). The second item should be something healthy, but perhaps not as exciting to eat (lettuce or carrots). Place the cups in front of your child and have them choose one. Show what is under the cup that wasn't chosen, and then show what is under the chosen cup. Talk about making choices. Pray and ask God to help your child make good choices.

Praise and encouragement are important to children. As children grow, they need to hear frequent positive messages from others to gain a balanced and healthy self-worth and to know what is right and good about the choices they make.

How refreshed we feel when someone comes alongside us and says a few positive words that motivate and encourage us in our choices. Commit yourself to doing the same for your child.
