Jesus Walks on Water

Bring this back next Sunday for a special treat!

BIBLE STORY

One evening Jesus said to His special helpers, the disciples, "go on the other side of Lake Galilee and I will come later."

The disciples got into a boat and began to row. Soon a strong wind began to rock the boat back and forth in the big waves. The disciples were afraid.

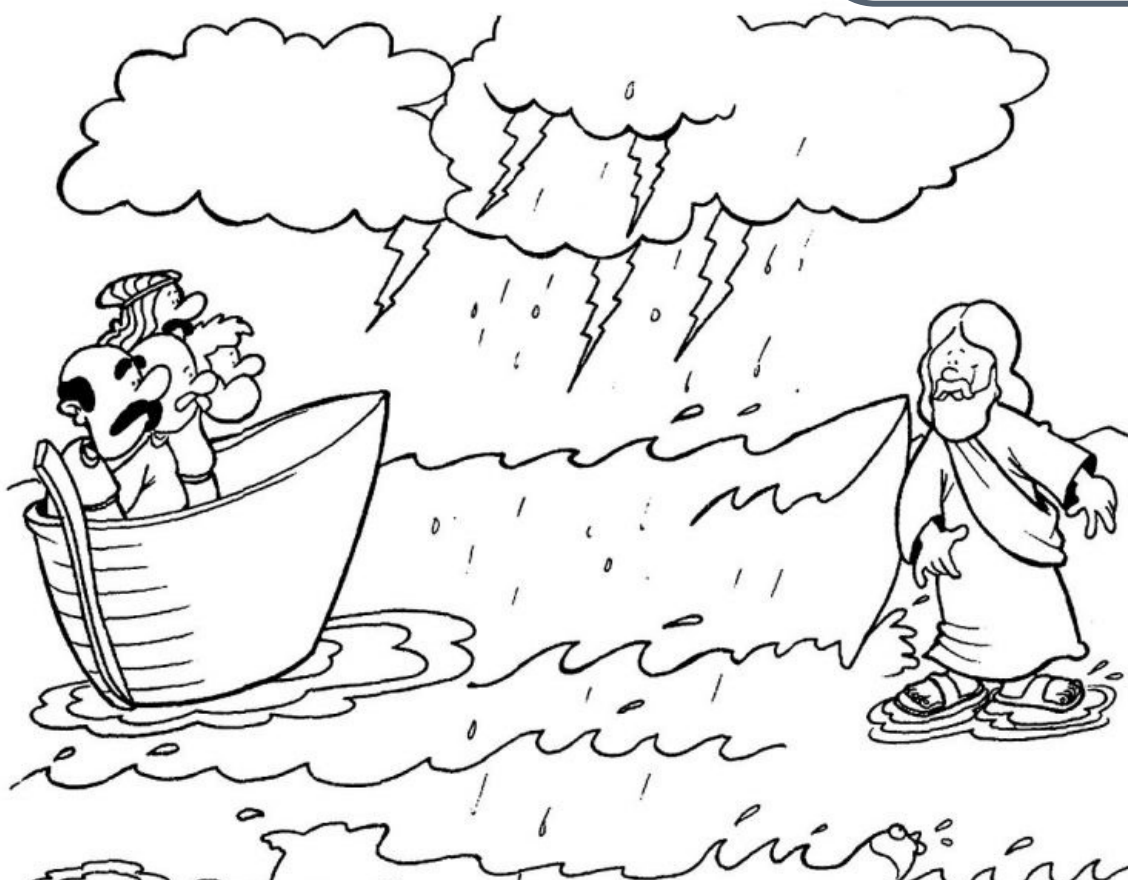

Knowing what was happening, Jesus began to walk across the lake right on top of the water!

"Don't be afraid," Jesus said. "It is I."

When Jesus climbed into the boat, the wind stopped. Jesus can do great things!

FAMILY FUN

As children learn about Jesus' great power— His power to heal the sick, raise the dead, and walk on water— they may question why God doesn't seem to be answering their own family prayers for people they know.

Guide your children to understand God's answers to prayer. God will answer no if He knows that is the best answer for us. He will answer yes if our prayer request is what's best for us. Sometimes God answers wait in order that His answer to our prayers will be at the best time.

Teach your child that God knows everything about us. He loves us. He wants the very best for us. Believing and trusting God for the very best in our lives requires practice and patience. God may answer yes, no, or wait. But He always answers!

It's RAINING!

On a carpeted floor, design with masking tape an outline of a boat. Hop in the boat and act out the Bible story of Jesus walking on water. Make whistling noises to represent the wind blowing. Rock back and forth as pretend waves roll. Have one person say, "I see something on the water!" Discuss how Jesus has the power to do great things!
