Today we are learning about a very special day when Jesus and His disciples were walking to the big city of Jerusalem. The people in Jerusalem were so excited to see Jesus that they waved palm leaves, just like ours. They cried out “Hosanna! Hosanna! **Blessed is the king of Israel!**” Can you be like wave your palm branch like the people of Jerusalem did?

Give each child a paper with the outline of the palm tree. Then give the child the green strips and help them glue to strips facing outward to look like a palm branch. Be sure to remind them why we are making palm branches and why they were excited.
