Today we learned about how on the 5th day God created the fish and birds! God said, “let the water be filled with living things, let the birds fly above the earth across the huge space of sky.” Today we are going to make a yummy snack to remind us that God made the fish in the ocean!

Give each child a light blue sheet of paper, a dark blue cutout and a brown branch cutout. Have them glue the dark blue sheet on the bottom of the light blue sheet and the brown branch toward the middle of the light blue sheet to make a branch for the birds. Next have them color the birds and fish however they choose and glue them onto their sheet...birds on the top and fish on the bottom!

Today we learned that on the 6th day God made animals and people. God said, "Let the land produce all kinds of living creatures" and "Let us make man in our likeness. Let them take care of all the creatures."

Let each child pick out an animal mask that they want! Let them color their mask however they choose. When they are done help them tape a popsicle stick to the back of their masks! These masks remind us of the animals God created!
