**Today we learned that on the 6<sup>th</sup> day God also made people. God said, "Let us make man in our likeness. Let them take care of all the creatures." On the 7<sup>th</sup> day, He rested. Let's do an activity that reminds us how God wants us to rest on the 7<sup>th</sup> day, too! This day is called the "Sabbath".**

Hand each child a worksheet and guide them through it if needed, using crayons or markers. Discuss why God considers it important for us to rest just as He did. Talk about how this rest (or Sabbath) day is beneficial to our souls.

**Today we learned that on the seventh day everything was made and God rested. He made day 7 to be the day when we worship and learn about Him with other Christians. We call this holy day, Sunday! Our craft today is to remind us of all the things we can see that God made.**

Give each child a sheet of construction paper, a church cutout, door cutout and people cutout. Have them first glue the church onto their paper. Next have them glue the doors to the front of the church in the outlined portion. If they want to color their people cutout they can, then have them glue it on their sheet. Lastly, give them a Bible verse cutout to glue to the top of their sheet! If they want to add any decorations to their church allow them to do so using crayons/markers!
