God Made the Heavens, Earth, Water & Sky

BIBLE STORY

Genesis 1:1

In the beginning, the world was empty. Darkness was everywhere. But God had a plan. God separated the light from the darkness. "Let there be light!" He said. And there was light. He called the light "day" and the darkness "night". This was the end of the very first day.

Then God said, "I will divide the waters." He separated the water in the clouds above from the waters in the ocean below. He called the space between them "Sky". This was the end of the second day.

FAMILY FUN

Children are like sponges. They absorb every word that we say and then take it to heart. We need to be sources of encouragement and hope for them, or they may find inappropriate ways to gain attention and approval.

When God created the world, He looked at the things He had made. Over and over in Genesis 1, the Bible says, "God saw that it was good." Look at the things your child makes this week. Take time to praise your child's work. Tell them that the work they have done is good, just as God's work is good.

In doing so, you will be motivating your child and sending her a message of love and approval.

MEMORY FUN.

Find these verses in a family Bible: Genesis 1:1-6. Clap a rhythm as you say one of the verses with your child. This week, help your child remember: "God made the light and sky."

DAY 1 & 2

As you color the pictures to the left, talk about what God created on Day 1 & Day 2.

DAILY TALKS WITH GOD

Use these thoughts at mealtimes, bedtimes, or other times when you pray with your child this week.

God, You are wonderful.

You made our great big world.

*Thank You, God, for making the light
so we can see.*

*God, Thank You for making a beautiful
sky.*
