Jesus told the crowd, "Don't be afraid; just believe, and she will be healed." Jesus went into the house and did just that! He held her hand and she got up. That is something only Jesus can do!**

Give each child one of each puppet cutout, some Q-tips and water color paints. Let them paint the side that is not already colored in. Help the kids fold their sheets in half and staple onto each side to make a finger puppet **When we look at our puppets one side is sad because Jairus knew how sick his daughter was. The daughter was sad because of her sickness. The other side is happy because Jesus healed the girl!**

Give each child a coloring sheet and a girl cutout. Let them color both items with crayons/markers. When they are finished help them attach a brass brad through the girl and on the bed and fastened on the back of the sheet. Show them how they can rotate the girl from laying on the bed sick to standing up after Jesus heals her!
