Today we learned about how when Jesus was finished teaching, His disciples got into a boat and went across the lake. While they were rowing their boat Jesus went to be alone with His father God and pray. Jesus spent several hours praying but during this time a strong wind was blowing and tossing the boat around. Just before the sun came up the disciples saw something coming towards them...It was Jesus...walking on the water! Jesus told them "Do not be afraid, I am Jesus." When Jesus go to the boat the wind calmed down!

Give each child a boat cutout, a Jesus cutout and a popsicle stick. Let them color their cutouts however they choose. When they are done coloring help them tape their Jesus cutout onto the popsicle stick and insert it into the pre-cut slit on the boat cutout. They can now move their stick around to make it look like Jesus is walking on the water!
