

Jesus Feeds a Crowd Craft

You Will Need:

- craft sheet attached
- 5 loaves of bread cutouts for each child
- 2 fish cutouts for each child
- glue

Give your child 5 loaves of bread and 2 fish- a template is attached to these. You could use the template and cutout the bread and fish or you could use food. For food, items like pieces of bread, crackers, or croutons would work. For the fish, you could use swedish fish. Have them color their craft sheet and if you choose the paper cutouts help your child glue them to their craft sheet. End in prayer.

**Jesus fed 5,000 people with
5 loaves of bread and 2 fish.**

John 6:1-14
