

Craft: The Church Follows

For this craft, talk about how the Holy Spirit came like a strong wind and entered the disciples' hearts. Talk about how God wants us to tell everyone about Jesus- He is the Great News! Once your child is done with their craft, end in prayer.

You Will Need:

- Envelope
- Craft sticks
- Crayons or markers
- Glue
- Construction paper

Directions:

Give your child three or four craft sticks and instruct them to color and/or decorate the craft sticks to become the members of their "church." Remind your child that although the church is a building, the real church is made up of people who love God.

Glue the envelope to construction paper with the opening side face out. Draw a steeple and doors for your child and let them decorate it. Add the people inside the church. End in prayer.
